INNOVATION | VILLAGE®

The VIRTUAL BROKERAGE EVENT@INNOVATION VILLAGE 2020, organized by ENEA EEN Bridgeeconomies in collaboration with national and international partners of the EEN network, is part of the program of the fifth edition of Innovation Village, the main event in Central-Southern Italy dedicated to the promotion of innovation.

Originally scheduled for March 26-28, 2020, at the Railway National Museum of Pietrarsa, due to emergency Covid-19, the event has been transformed into a virtual EVENT / FAIR with a large program of initiatives, webinars and online meetings.

The main topics are: **Circular economy** with a focus on Made in Italy; **Open Innovation**, with the "challenges" between innovators promoted by the Campania Region on its platform; **Health 4.0** with a debate on a personalized, tailored and targeted medicine; **School Village**, section dedicated to digital skills organized with the Department of Electrical Engineering and Information Technologies of Federico II and the Regional School Office for Campania.

Also worth mentioning is the **Innovation Village Award**, with the awarding of innovators from all over Italy who have made significant innovations with consequences consistent with at least one of the 17 objectives of the Sustainable Development of the UN Agenda 2030. The Award, at the second edition, is co-organized with ASviS - Italian Alliance for Sustainable Development and ENEA.

Innovation Village 2020 is produced by Knowledge for Business srl with the support of the Campania Region and co-organized with Sviluppo Campania and ENEA EEN - Enterprise Europe Network.
